

## The Inauguration Meeting of IAITQM co-founded by Beyondbond has been successfully held at Omaha, Nebraska on June 3, 2012

The Inauguration Meeting of International Academy of Information Technology and Quantitative Management (IAITQM) has been successfully held at Embassy Suites Hotel, Downtown Omaha, Nebraska, USA on June 3, 2012. The meeting has passed the bylaws in principle and elected the officers of the Academy. All of the detailed of info and doc will be followed. Congratulations to all for years-hard work on this meaningful project! As the enclosing remarks that I made, "Today, We Create ITQM to Improve the Life Quality of Human Beings and We Are Making a History here!!!"
